

Roteamento Estatico

Pessoal,

Muita gente procura implementar uma rede roteada e sair de uma rede em bridge, para essa tarefa essas pessoas procuram implementar o protocolo OSPF nela, porém não se pode entender como funciona o protocolo OSPF sem entender como é uma simples rota estatica.

Esse conhecimento é pre-requisito para entender o OSPF eu fiz 3 videos nos quais mostro um cenário simples de um roteamento estático.

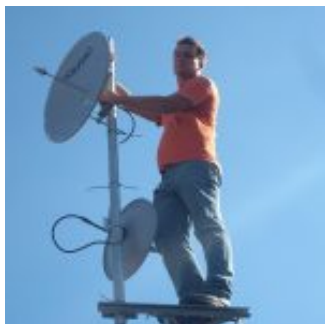

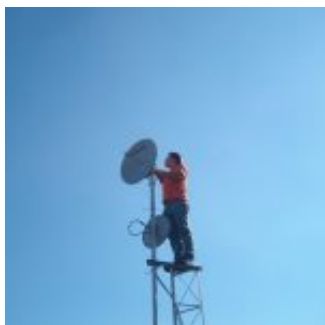

Espero que gostem.
